FACULTY

MR. CLAUDE W. HENKLE

SUPERINTENDENT

Mr. Henkle is serving his third year as the superintendent of Defiance City Schools. His dynamic personality commands the respect and admiration of students and teachers alike.

Mr. Henkle holds a Bachelor of Arts Degree from Ohio Northern University and a Master of Arts Degree from Ohio State University. His postgraduate work was done at the University of Colorado and Bowling Green State University.

Mr. Henkle is also very active in community affairs. He is a member of the Chamber of Commerce, American Legion, Masonic Lodge, Rotary Club, president of the Defiance Community Service Council, and a member and past president of the board of directors of the Defiance Health and Tuberculosis Association. He is also a member of the National and State Association of School Administrators.

Mr. John T. Rahrs
Mr. Milton L. Adams

Mr. Lester L. Schmunk
Mr. James C. Behringer

Dr. Charles D. Krouse
Mr. James V. Shindler

BOARD OF EDUCATION

MR. DON L. HAMPSHIRE

The Board of Education is the agent responsible for establishing and appraising the educational activities of our public schools. The citizens on the board have regular meetings with Mr. Henkle to outline the policies of the program. The members of the Board of Education are John T. Rahrs, president; Lester L. Schmunk, vice-president; Dr. Charles D. Krouse, Milton L. Adams, James C. Behringer, and James V. Shindler. Mr. Behringer's term expired in December of 1959, and Mr. Adams' term began on January 1, 1960.

Mr. Don Hampshire serves as Administrative Assistant to the Superintendent and Clerk of the Board of Education. He is in charge of the Food Service Program and Bus Transportation. In this capacity his participation in many of our public school activities is essential.

MR. HAROLD PALMER

PRINCIPAL

"Attention please, announcements!" rings through the building each morning and noon as our principal, Mr. Palmer, starts the session off with his usual greeting. Mr. Palmer has a very busy schedule, but he is always ready and willing to take time to discuss with students or teachers any problems which may arise. Besides his many regular administrative duties he is the adviser to the Student Council. Under his guidance school policies have been planned and executed, a calendar of school events has been prepared, and a master schedule of students has been kept.

Mr. Palmer received his B.A. degree from Defiance College and his M.A. degree from the University of Michigan.

TOP ADMINISTRATIVE STAFF

MR. RUSSELL EMANS

ASSISTANT PRINCIPAL

Having the official title of Assistant Principal, Mr. Russell Emans is kept extremely busy with matters pertaining to the efficient operation of the school, but he always has time to work with the students. He is adviser of the Projection Club and JETS. He also teaches trigonometry, algebra II, and advanced math. Mr. Emans received his A.B. degree from Bowling Green State University and his M.Ed. degree from Bloomington University.

GUIDANCE DIRECTOR

Our Guidance Director, Miss Augusta Kehnast, is probably one of the busiest persons in the school. She willingly counsels students about colleges and other personal problems, takes charge of the cafeteria, organizes hall monitors, and is in charge of various testing programs. She heads charity drives at school and helps the needy families in and about Defiance. Few people realize the many duties she performs at Defiance High School.

Although her day is well filled, she finds time to act as College Club adviser. Miss Kehnast received her B.S. in Education from Defiance College and also studied at Indiana University and Bowling Green State University.

ENGLISH — THE FUNDAMENTAL

The English language has grown to its present excellence through the development of one of the world's greatest literatures and through the strengthening and refining of its vocabulary and grammar for the past one thousand years. During this time English-speaking people have been borrowing words and phrases from

all languages of the world and have been assimilating them to the forms of English speech. Thus the language has gained an unparalleled variety of synonyms and turns of speech, and it is better fitted to be the language of a nation made up of a people originating from many races, as are we Americans.

COURSE FOR EVERY STUDENT

In seventh and eighth grade English, word usage and the fundamentals of grammar are taught. English I and English II present to the student new experiences in literature and a further study of grammar.

With English III comes our proud heritage of Ameri-

can authors. The culmination of our high school study of English occurs in English IV. In this college preparatory course, a thorough study of English literature is emphasized, and some time is also spent with Greek mythology.

Eleventh graders trace the history of the United States from the aboriginal period, through the exploration, settlement, and development of our country.

Seniors in social problems class learn to meet and analyze current problems in an intelligent manner, basing their opinions on the background of knowledge they have obtained in previous years. They are shown their democratic privileges and are taught how to cultivate and develop those responsibilities needed to maintain democratic ideals.

Larry Schmunk and Ron McClure appear absorbed in their work.

Judy Tustison demonstrates a mathematical equation.

The basic aim of Defiance High School's math course is to teach and encourage logical thinking. Old fashioned methods of teaching have been eliminated and in lieu of these, an entirely new math program has been instigated. Whereas in former days only simple arithmetic problems and complex fractions and proportions were taught, in the new program subjects which were thought to be college level are now taught here in high school.

On the junior high level students review and extend their knowledge of basic arithmetic. As the courses advance in difficulty students are taught to use their minds more efficiently.

On the higher mathematical levels, as students progress through algebra, geometry, and trigonometry, they learn the fundamentals of lines, angles, planes, and solids. They also study fractional linear, and quadratic equations, the use of radicals and exponents, and the functions of angles.

The new advanced mathematics course is outlined for the superior math student and will place him in a much more favorable position to do college work in mathematical and scientific areas.

Thus the teaching of mathematics will always form an important part of our educational system.

SCIENCE EXPLAINS THE

In countless ways, present-day civilization is deeply indebted to each of the sciences. The practical benefits which have emanated from discoveries made in chemistry and physics, for example, extend to nearly everything connected with daily life. Every notable modern invention has had its origin in a new application of the laws of science.

The immense success of science is due to the way in which it seeks, finds, and tests knowledge. More valuable than any of its discoveries are its effective methods, which make still greater achievements possible. The various science courses offered to the student in high school extend a challenge to learn and practice the scientific method.

PRINCIPLES OF NATURE

General science introduces basic scientific principles to the student. Biology presents a complete picture of the life processes of plants and animals. Physiology deals with the complex study of the human body. While studying chemistry, a student learns not only its

application to our doily life, but also a conception of more advanced chemical principles. Physics gives the student an understanding of matter and motion, which includes mechanics, heat, light, electricity, and sound.

INDUSTRIAL ARTS DEVELOPS

One of the most practical programs offered in this high school is the Industrial Arts course. In this course boys are taught coordination of hand and mind, and a working knowledge of tools and machinery. As they learn the operation and maintenance of the shop equipment, they are also rewarded with the products of their toil, often very useful items.

In junior high, the students are taught the fundamentals of woodworking, the use of some equipment, and a basic understanding of shop terms.

In freshman shop courses boys are taught interpretation of drawings, more advanced woodworking, and use of hand and power tools.

In Shop III and IV, the most advanced industrial arts course, boys are instructed in the use of metal machinery, sheet metal work, and lathe operation.

Arts and Crafts and Graphic Arts are offered to students interested in leatherwork, photography, and printing. In the Graphic Arts course students learn typesetting processes and various methods of printing. They are also taught photo taking, developing and enlarging, and bookbinding.

Students taking Eighth Grade Home Economics learn the fundamentals of cooking and sewing. Each girl has the opportunity to cook simple meals and snacks and to learn about the basic foods that should be cooked in the home.

In sewing classes the girls learn sufficient skills in making, selecting, or remodeling clothing.

The Home Economics I classes deal with both cooking and sewing. Cooking classes include the study of food preservation, table settings, breakfasts and luncheons.

Color, line, and pattern applied to dress design are studied in the sewing classes. Also the completion of a simple cotton dress is an individual requirement for every girl.

GIRLS COURSES IN HOMEMAKING

Home Economics III, offered only to Juniors and Seniors, includes house plans, furnishings and equipment, home management, child care, home nursing, and the adjustment of home and community problems.

It provides for an understanding of the characteristics of being physically, mentally, and emotionally mature.

Home Economics II deals with advanced cooking and sewing. The girls learn to make pastries, meat dishes, yeast breads, cakes and the art of menu planning. The sewing classes are instructed in the identification of fabrics and weaves and the testing of textiles. A tailored suit or coat must be completed by the members of the sewing classes at the end of the semester.

Susie Bleeks uses her knowledge of Spanish to help boost school spirit.

The idea that Latin is a dead language has certainly been proved incorrect by the Latin department of Defiance High School. More students are taking Latin than ever before. This is due to the interest created by its teacher and the informative subject matter. Latin provides a foundation for all modern languages.

Spanish at Defiance High School includes not only the study of grammar but also offers the key to a greater understanding and appreciation of our Spanish-American neighbors. In the two years of Spanish offered, we also learn conjugation of verbs and vocabulary, the tools needed for speaking the language.

The ability to speak well is one sign of a well educated man. Through the efforts of the instructor many students in Defiance High School's speech class are given the opportunity to develop their talents along the lines of public speaking.

While members of this class, students learn the fundamentals of parliamentary procedure, and are taught to read and interpret the works of some of the great poets of the past. Good speech habits are marks of a well rounded student.

BUSINESS WORLD REQUIRES

Bill Tubbs tries to balance his books.

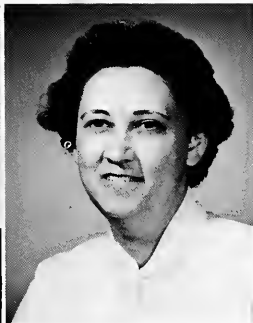

As long as there is civilization, the world will have a need for trained business personnel. The commercial department at Defiance High School seeks to adequately train and prepare its students to enter this business world. Accuracy, neatness, and efficiency are the goals instilled into every student of commerce.

Accuracy is a definite necessity in Bookkeeping. Besides teaching the student to be neat and orderly in his work, it gives him a glimpse at a variety of common daily business transactions.

EXPANDED CURRICULUM GIVES

Pat Commisso and Betty Lloyd examine the parts of a car.

Driver's Education is becoming more and more a vital part of our educational program at Defiance High School. As educators realize the growing need to train students to everyday living, Driver's Education is regarded less as a "frill" for a few students, and more as a necessity for every future driver.

It is evidenced by the increasing mortality rate of highway accidents that every person who intends to operate a motor vehicle should be trained by a competent instructor in systematic driving. The importance of this course is emphasized by the lower insurance rates for students completing the course.

STUDENTS SPECIAL TRAINING

Here in Defiance High School there is a certain need that has been filled in a very successful manner. With the establishment of special education classes all pupils are given the chance to improve themselves according to their abilities. Competition on the proper level gives those who have trouble in certain fields the chance to obtain all they can from a course. With a well qualified teacher our special education classes afford Defiance High School a splendid opportunity for special instruction.

Physical education classes under the supervision of Mr. Hale are both enjoyable and healthful. Boys are taught good sportsmanship and the rudiments of many popular sports, which include basketball, bowling, boxing, tumbling, track, and many others.

Activities include interscholastic games and the annual strength test. Intramural sports and the junior-senior games are highlights of the school year. The losers of the games between the upperclassmen provide food at the annual picnic for the victorious class.

ART SHOWS CREATIVE ABILITY

A Fine Arts course is offered to the students in Defiance High School who wish to develop ability in art.

The art students begin with pencil sketches of landscapes and still life objects. Later they advance to charcoal drawings and oil paintings which round

out the creative abilities of the student.

This course is taught by Mrs. Ruess, who believes that art can be studied and enjoyed by everyone, but an attempt to draw and paint should be made when a person is in his youth.

"LET NOT YOUR SONG END"

Defiance High School has included in its curriculum a fine vocal music department under the capable direction of Mr. Leslie Brooke.

One of the main objectives of this program is to give every student in the high school the opportunity to participate in group singing if he so desires. Every student in the seventh grade participates in

choral singing and if at the end of the year he so wishes he may try out for the eighth grade chorus. The freshman chorus is composed of selected students in that grade who have passed a screening test. From there they may advance into the glee club in their sophomore year or directly into the capella choir.

Campbell. **THIRD ROW:** Karen Weoner, Fred Holley, Bill Wolff, Judy Myers.

BY THE PANORAMA STAFF

Darwin Stock, Miss Clingomon, and Connie Morris check their receipts.

The production of a school yearbook is indeed an immense and tedious task. The editorial board has worked many long grueling hours first planning the dummy, writing and revising copy, scheduling and then identifying pictures, and finally drawing up finished pages.

The business staff also had a tremendous job on their hands, the task of financing the production of this book. Soliciting ads, handling subscriptions, and selling and identifying underclass pictures kept them busy and made it possible for the book to be published.

Editor Pat Cunningham sets up the layout of a weekly BANNER.

BANNER STAFF PUBLISHES AN

Carolyn Limpach provides the artwork.

The BANNER, Defiance High School's own newspaper, is published weekly by the senior journalism class. With organization as the key word, a fine paper is always produced.

Each staff member has a specific task to perform. Reporters gather news concerning school, community, and national affairs. Sports editors also submit their material, and the artist's illustrations add interest and reader appeal. Advertising is solicited by the business manager and the ads are written up. All copy is then proofread and revised by the copy editor. The checked material goes to the typists and is arranged and typed on the stencils. Finally the stencils are run off on the mimeograph machine by the machine operators, and the finished BANNER results.

The entire process, of course, is carefully supervised by the editor and by the adviser, Mrs. Anderson.

FIRST ROW: Pat Cunningham, editor; Rita Steffel, business manager; Marianna Bailey, copy editor; Jackie Brown and John Miller, sports editors. SECOND ROW: Mrs. Anderson, adviser, Carolyn Jahnsan,

STUDENTS HONORED BY N. H. S.

Admission to the National Honor Society is the greatest honor that can come to a high school student. Membership is based not only upon high standards of scholarship, but also upon character, leadership, and service. Selection is limited to five per cent of the junior class and fifteen per cent of the senior class. At the assembly held in December, twenty-seven new members were inducted, each being pledged to uphold the high ideals of the society.

Under the guidance of their new adviser, Mr. Burson, the club has purchased a new banner, which serves to remind students of their pledge to this organization.

Dick Wasnich, president; Bonnie Burns, secretary; Bill Sweet, vice-president; Darwin Stock, treasurer.

COUNCIL REPRESENTS STUDENTS

Bill Sweet, vice-president; Linda Hohenbrink, president; Mr. Palmer, adviser; Jackie Brown, secretary; Jim Stone, treasurer.

The Student Council is the representative body of the students of Defiance High School. Members are chosen by their classmates to represent the class as a whole.

Special problems concerning the students or the efficient running of the school can be brought before the Student Council with the assurance that prompt action will be taken. Mr. Palmer, the adviser, attends the meetings and is always available for consultation on these matters.

Some of the activities of the Student Council this year were supporting the School Bond Issue, sponsoring the Twirp Dance and the Spring Hop, providing the Christmas tree for the school, and filling baskets for the needy families of Defiance during the holiday seasons. The council also runs the class elections and the cheerleader elections.

NOS GUSTA EL ESPAÑOL

Mr. Peters, adviser; Oralia Avila president; Alice Hoffman, secretary; Nancy Edwards, vice-president; Sue Kern, treasurer.

Since there is an increased need for the knowledge of foreign languages, especially those of our neighbors to the south, Spanish is an important subject at Defiance High School. The Spanish Club practices Spanish customs and ideas. Recordings of songs and stories are made in Spanish, and the students listen to records to train their ears for good speech habits.

Mr. Peters, the adviser, has visited Mexico and is able to relate tales about the Spanish speaking people.

Shellie McKeen, treasurer; Susie Rohrs, secretary; Jahn Goldenetz, president; Terry Loveday, vice-president; Miss Schlegel, adviser.

The National Latin Honor Society of Defiance High School is open to any Latin student who is able to maintain a 90% average. The purpose of the club is to increase interest in classical literature, to furnish an incentive for better work on the part of capable students, and to offer a more thorough knowledge of Roman and Greek customs.

Some of the activities of the organization this year included a Christmas party, a JCL convention in Columbus, a formal induction in January for new members, and the sale of calendars and name labels.

JETS TRAIN FUTURE ENGINEERS

The Junior Engineering Technical Society, advised by Mr. Emans, was formed to assist capable students in training for a technical career. Good scholarship, citizenship, and character are also encouraged among the members. The club, which is affiliated with Michigan

State University, sponsors a number of scientific projects during the year. The future engineers take an annual excursion to further their knowledge of engineering in action.

FUTURE RETAILERS LEARN TRADES

Distributive Education Clubs of America is a national organization for the promotion of vocational retailing. Students in the distributive education class are required to hold a job connected with retailing or distribution. In class the study is related to salesmanship and merchandise information. This plan enables the student to put the information he has learned in class into practice on the job.

The members and their adviser, Mr. Green, attended the Northwestern Ohio DECA convention at Bowling Green State University on November 4, 1959.

The annual appreciation banquet for employers was held in May, honoring the employers who helped train the students on their jobs during the year.

Mr. Green, adviser; Denny Frederick, vice-president; Phil Clemens, president; Ken Band, secretary-treasurer.

FIRST ROW: B. Stock, J. Brown, S. Bleeks, P. Cunningham, K. Martini, J. Agler. SECOND ROW: S. Dix, V. Hull, treasurer; G. Hewitt, vice-president; B. Burns, secretary; C. Dirr, J. Dirr.

GIRLS PARTICIPATE IN SPORTS

Adviser Mrs. Gaeth and President Sheila Block check GAA credit book.

The Girls' Athletic Association, advised by Mrs. Gaeth, is an organization composed of girls in grades nine through twelve who are interested in sports.

Tennis, volleyball, and field hockey are the fall sports offered. Bowling and basketball make up the winter sports selection. Softball, tennis, and archery are offered in the spring. This year a new credit system was established. Each girl still receives one point for each sport in which she participates, but now four credit points a year must be earned instead of the usual three. This means that a girl, in order to win an award for that year, will be required to participate in two sports in one season plus one in each remaining season.

Mrs. Smurr, assistant adviser, also helped to start the year off with a bang when the freshman girls were initiated at Kingsbury Park. New members were attired in outlandish costumes as they were forced to perform various stunts for the entertainment of the council members.

The name of the junior council member, Connie Dirr, was revealed at the initiation.

Do you measure up to the qualities required of a teacher? This question is explored by members of Future Teachers of America as they consider a teaching career. Many members have practical experience with children in classrooms of the elementary schools where they observe and assist the teachers. Club activities are varied and include several service projects.

F.T.A. is a national organization which seeks through selective recruitment to meet the rising demand for qualified teachers.

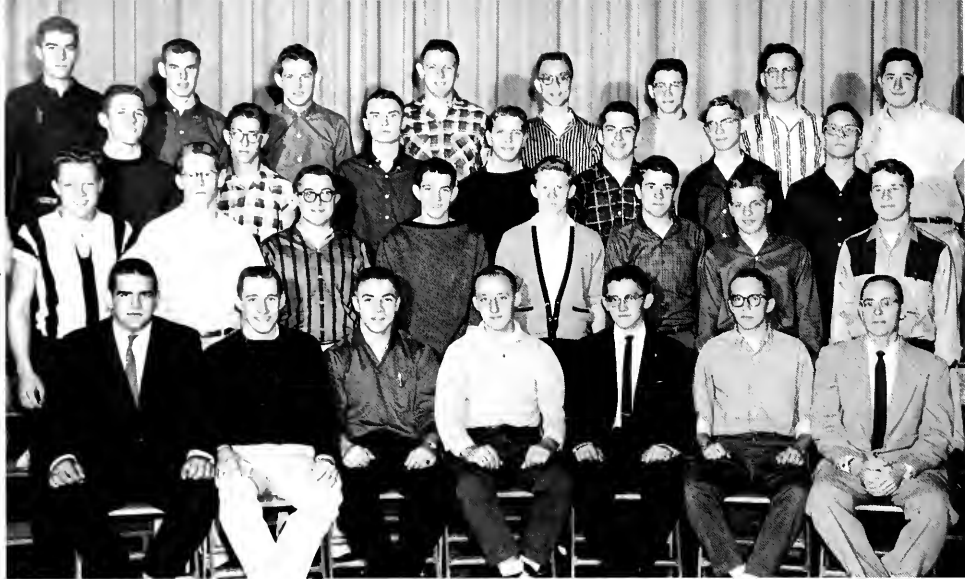

Jeanne Dirr, vice-president; Ethelyn Griffith, treasurer; Susan Harnish, secretary; Rita Steffel, president; Mrs. Greim, adviser.

JUNIOR AND SENIOR HI-Y

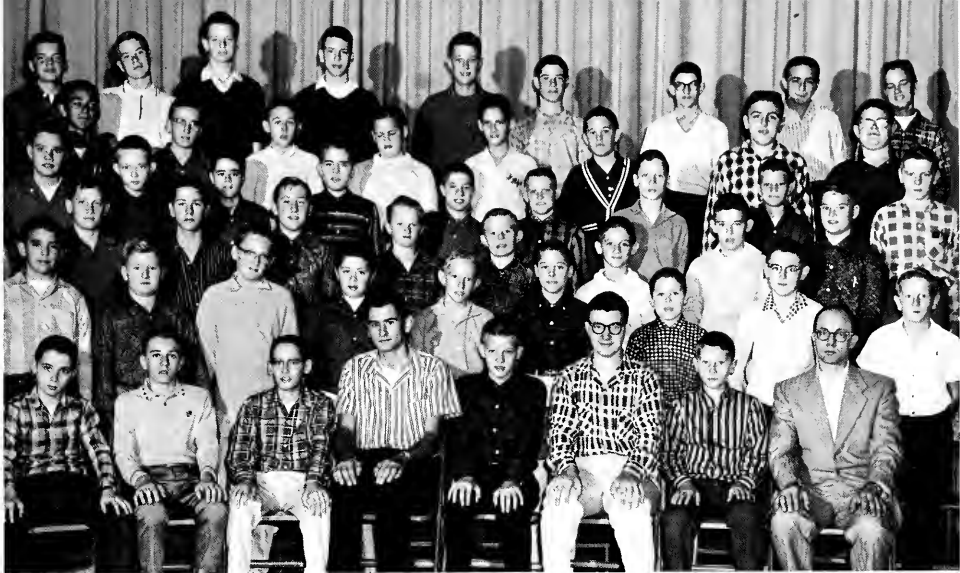

Bill Wolff, chaplain; Jim Stone, vice-president; Mr. Monahan, adviser; Fred Holley, president; Dave Kellermyer, secretary; Dick Wasnich, treasurer; Bill Tubbs, sergeant at arms.

Sophomore, junior, and senior boys become members of the Senior Hi-Y by subscribing to the club's purpose, which reads, "As members of the Senior Hi-Y of the Young Men's Christian Association, it is our purpose to strengthen our bodies, develop our minds, worship God, and work together for a finer community and a better world."

The platform sums up the purpose of the organization in the three ideas of Christian thought, Christian action, and Christian leadership.

Under the capable direction of their new adviser, Mr. Monahan, the members headed the United Fund Drive in the school, organized the Homecoming festivities, and sponsored this year for the first time the Snowball Donce, which was held during the holiday season.

PROMOTE FELLOWSHIP AT D. H. S.

Junior Hi-Y is a club program for boys of the seventh, eighth, and ninth grades. It is national in scope, Christian in emphasis, and democratic in practice. It is carried on under the auspices of the Young Men's Christian Association. Its members are interested in promoting the best and most worthwhile activities in their schools, homes, churches, and neighborhoods. It is a way of working together, playing together, and carrying on purposeful projects. Boys of all races, nationalities, and creeds are eligible.

This year the organization, advised by Mr. Hinesman, sponsored a number of post-game dances and other school activities.

George Miller, vice-president; Bob Brown, president; Lonnie Grube, secretary; Jim Wolf, sergeant at arms; Larry Frederick, chaplain; Alfred Horsey, treasurer.

FIRST ROW: Miss Bowyer, adviser; Steve Spurgeon, vice-chairman; Mary Spies, chairman; Lois Farris, secretary; Vicky Davis, typist. SECOND ROW: Susie McKeen, treasurer; Sharyn Hummer, reporter; Karin McClure, musician.

The Junior Red Cross Council is made up of two representatives from each home room and other interested students who wish to join. In three years the club has more than tripled its membership.

The purpose of the club is to encourage fellowship and service throughout the entire world. Each summer the members having the most credit for service are sent to Miami University for a week of leadership training.

This year the club received the Parents' Magazine Youth Group Achievement Award.

The local organization sponsors many projects. The members assist at the blood banks, make toys for children in the hospital, help in time of disaster, and give Christmas parties for the County Home and the Children's Home. They sponsor school dances to finance their projects. This year the club had a prize winning float supporting the School Bond Issue in the Halloween parade.

The Booster Club of Defiance High School is an organization open to girls in grades nine through twelve. The members are pledged to support school activities, promote fellowship among all students, and to be of service to the community. The highlights of the school year, the May Dance and coronation, are sponsored by the Boosters. Other events for the members include the potluck dinner and the Christmas party.

The purpose of the club is summed up in the few words of the creed: "We are Defiance High School Boosters, striving to be better citizens both today and tomorrow."

Karen Martini, vice-president; Jackie Brown, president; Connie Morris, treasurer; Miss Myers, adviser; Marianna Bolley, secretary.

Carolyn Johnson, vice-president, Dove Meyer, president, Miss Kehnast, adviser, Ellen Bott, secretary, Susie Bleeks, treasurer.

The College Club of Defiance High School is primarily organized to help future college students choose the college that will best suit their individual needs. Miss Kehnast, the adviser, provides catalogues, pamphlets, and booklets from many colleges to be studied and discussed by the club members. Many meetings are highlighted by visits from Defiance High School graduates who relate some of their college experiences to the club.

The Defiance High School Band, under the direction of Marvin Blanchard and David Platt, has made itself well known throughout Northwestern Ohio. It has received much recognition from its superior contest ratings and has been elected to the school Hall of Fame for general excellence.

Led by their snappy majorettes, the marching band gave outstanding performances at the Van Wert Peony Festival, the Bryan Jubilee, the Wauseon Homecoming, and the Fireman's Convention at Port Clinton, where they received second place.

As usual, the group enjoyed an exchange concert. This year they visited Anderson, Indiana, and completed an exchange with Charlotte, Michigan.

One of the band's favorite annual activities, a week of camp, was again enjoyed in August.

The band members also made a good showing as groups and individuals at solo-ensemble contest in March.

A CAPPELLA CHOIR PROVIDES

Ardith Martin accompanies the choir.

The Defiance High School a cappella choir, directed by Mr. Leslie Brooke, is very well known in this part of the country. The degree of excellence to which it has risen throughout the years speaks well for the group and for the director.

Choir members are selected on the basis of try-outs at the end of their freshman year and are formally admitted to the choir the next year.

The choir presents an annual Christmas program during the holiday season, besides many other programs and concerts for various organizations throughout the year.

The highlight of the year is the variety show, presented in the spring, which is always a huge success. A great deal of hard work is required on the part of everyone involved, but the result is always well worth the effort.

FOOTBALL

Mr. Pixler, backfield coach; Mr. Schmidt, head coach; Mr. Beindorf, line coach.

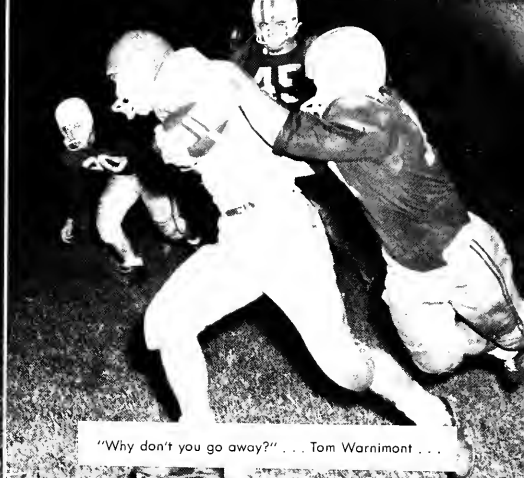

Defiance High School was proud of its football team although they did not always win. The players did their best in every game and never gave up until the final whistle blew. Tom Warnimont and Fred Halley were elected co-captains for the 1959 season.

Awards and varsity letters were distributed at the annual banquet by Coach Schmidt. He was assisted during the year by Mr. Pixler and Mr. Beindorf.

Bob Scheirer, who would have been a valuable asset to the team, was injured during the first game. Phil Pelok, Dan Burns, and Dick Brown also received injuries later in the season which rendered them unable to play.

BASKETBALL

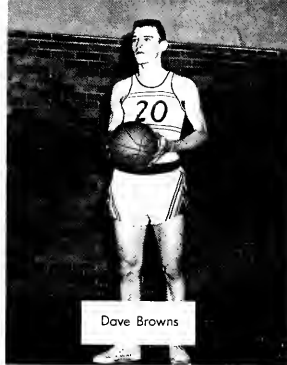

From the standpoint of school spirit and good teamwork, Defiance High School had a successful basketball season. The team encountered a most difficult schedule but always turned in an excellent performance.

Coach Max Gecowets was pleased with the boys' team co-operation, eagerness, and enthusiasm.

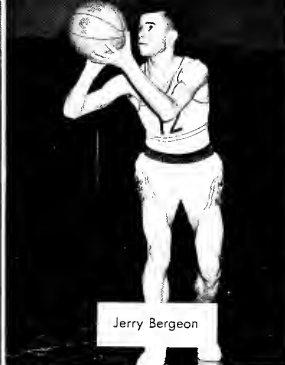

The five returning lettermen received first-rate support from the sophomore and junior members of the 1959-1960 team.

TRACK

Although they didn't always come out on top, the 1959 track team enjoyed a successful season, competing in eight different meets. The team was coached by Mr. Wahl, assisted by Mr. Rex.

The highlight of the season was winning the Maumee

Relays over six other schools. The school record for the 880-yard dash was broken by Ed Anderson, who also placed fifth in the mile run at the district meet in Bowling Green.

TENNIS

Tennis this year came forward into a position of importance in the spring sports. The team had three returning lettermen, Greg Reineke, Fran Benjamin, and Dennis Connor. The record for the season was four wins and no losses.

The highlight of the season was the district tournament in Bowling Green. Coach Schmidt has high hopes for a repeat performance next year since all of the members with the exception of Keith Thieraff will be returning to the team.

CROSS COUNTRY

The Defiance High School Cross Country team met with some tough competition this year but made a very good showing. Meets were held at Lima Senior, Lima Shawnee, Bowling Green, and Napoleon.

The team finished 19th in the Bowling Green Relays and 15th at the district meet held at Lima Lost Creek Country Club. The coach, Mr. Charles Wahl, looks forward to an even more successful season next year.

Tondy Clemens races to victory.

Dave Browns nears the finish line.

Tom Warnimont wins his match.

WRESTLING

Wrestling was a new sport introduced at Defiance High School this year. The eleven man first string team did a terrific job in defeating all but one of the more experienced schools. The team, which is coached by Mr. Beindorf, put in many hours of diligent practice in preparation for their individual matches. The boys are

divided into classes according to their weight and wrestle only the opponents in their own class. A great deal of enthusiasm greeted the new sport and it already has a firm spot in the Defiance High School athletic program.

HOMEcoming

The noise, shouting, and cheering of our big game with Bryan was suddenly brought to a halt. Only excited, hushed whispers filled the cold night air. All eyes focused on our Homecoming Queen, Linda Hohenbrink, who was being escorted on to the field. At her side was our ca-captain, Tom Warnimont, and following them were her attendants, Barbara Anderson, escorted by Dan Burns, and Shellie McKeen, escorted by Danny Wagner.

After the crowning of the queen, the game was resumed. The team did its best to win for her but was defeated by our rivals. Spirits were not dampened, however, and the Homecoming Dance was a gala affair with Queen Linda reigning over the festivities.

FIRST ROW: Tom Anderson, Solly Charles, Lecil Tennison. SECOND ROW: Joyce White, Chris Palinoy, Sue Boes, Linda Sontchi, Sue Schlosser, Suzi Miller, Harry Restrnick.

THE JUNIOR CLASS PRESENTS

"Something seems to be the matter with my throat."

The Junior Class Play production, *Sight Unseen*, was the strange tale of a house that was haunted by the ancestors of the present owner, Lady Judith Eliott. These ancestors flitted in and out appearing and disappearing at will. Because Lady Judith could no longer afford the upkeep of the house, she either had to sell it or turn it over to the government. The problem was to convince the ancestors, who refused to allow the house to leave the possession of the Eliott family. The complications which arose provided humor and entertainment for all who attended.

"A seance, some call it."

"He dared betray us."

"SIGHT UNSEEN"

Production staff: Barbara Schultz, prompter; Mrs. Lee, director; Nancy Edwards, student director; John Martin, sound effects; Mike Oehler, lighting; Drue Thayer, sound effects.

Director Mrs. Lee and Student director Carolyn Limpach read a scene from the play as Karen Martini, Dick Wasmich, Jonet Weaver, and Tom Anderson look on attentively.

THE SENIOR CLASS PLANS

Mrs. Lee shows Karen Kling and Gymme Hewitt some traits of sophistication.

Our cameraman found the senior play cast and the director, Mrs. Lee, busily engaged in early preparations for the class play, *The Adorable Spendthrift*.

The plot of the play concerns the life of Hardy Mason, who goes abroad and proposes to fascinating little Sari. It is agreed that she should follow him to America for their wedding, but on arriving, she finds that she is not welcomed by Hardy's family. She also finds a rival in Helen Reeves-Alton, who, now that he is wealthy, regards Hardy as being very eligible. Sari sees that their money is making the family an easy mark for parasites. Subjected to the wiles of a number of spiteful and suspicious people, she pretends to ruin the finances of the family, only to reveal at the end that she is a wealthy countess. Hardy stands by her through thick and thin.

Ed Dodt, Joe Heusi, Barb Stock, and Tim Gregory plan their big scene in the play.

"THE ADORABLE SPENDTHRIFT"

Don Van Vlerah, Donna Bresnan, Sue Parker, and Steve Spurgeon show Harry Restrict the rapes.

It is given to only a few to use their life span to benefit all generations to come after them . . . Such was the gift of Thomas Alva Edison, pioneer in applying electricity to better the lot of mankind.

We are proud to bear his name

Only a holder of the original Edison license may use the name "Edison" as part of its corporate title. It is the mark of a pioneer. Toledo Edison, a business-managed, taxpaying electric company, is proud to be so honored . . . and we renew our pledge to serve our customers to the very best of our ability.

and hope that you'll always think of me as your friend, you'll always be tops in my book. And, somehow!! I'm sure we'll struggle through that damn T.H.S.A. — and get our little pieces of silver!

As you can see this is the last page in the book, and so we would like to thank everyone who made it possible to produce this PANORAMA. So, here goes!

First we would like to thank our advisors, Mrs. Barrett and Miss Clingman, for putting up with us for a whole year.

A special note of thanks goes to Mr. Gus Hoverson, our yearbook representative, who ably guided us over the rough spots, and also to our willing junior assistants, Bill Zipfel, Kathy Peterson, and Jim Cameron.

The success of our book depends upon good photographs, and we wish to thank Mr. Poul March for his excellent pictures and suggestions, Mr. Blosser, who took the underclasses, and Mr. Robert Miller, of our own teaching staff, who did such an excellent job on our candid.

Now we wish to thank you for having had enough faith in us to spend your money on a PANORAMA. We hope you find your money well spent.

In bringing you this yearbook, we've had our frustrations and our worried moments, our sleepless nights, and our headaches. But we've also had our laughs and the satisfaction of the finished product, and so we think it was worth it. We hope you like it.

Now pardon us while we collapse!

THE PANORAMA STAFF

Love, Love,
Love,
Your friend,
Miss M. B. Hay
S.A.

Rat,

I hope you will forget
our 6 years together. I
know I never will. (for
various reasons.) Remember
the times we rode in the
front seat and looking back
to check everytime we saw
a policeman. The night
we were at Saluki and
we dressed up and went
out to Bambi's was a
night to remember.
Well, I hope I will
want to write on this
page. So, best
wishes.

"Good Luck"
To a swell Senior.
